

# PROJECT ARCHAEOLOGY

## Investigating Shelter

### Online Professional Development

**What:** Online Educator Course

**When:** Beginning February 1, 2016 for eight weeks  
(4 - 5 self-directed hours/week)

**Where:** **ONLINE at your convenience**

**Who:** Upper elementary teachers (3<sup>rd</sup> - 6<sup>th</sup> grades)

**Cost:** \$175

**Credit:** 2 graduate credits available for \$60.00

#### Join us for an exciting trip back in time to investigate archaeology!

You will use this virtual workshop to practice the **basics of scientific inquiry** (observation, inference, evidence, and classification) using **authentic archaeological data**. You will learn first hand how to help your students apply archaeological concepts as they investigate a shelter using **primary data** sources such as maps, artifact illustrations, historic photographs and oral histories. By using this curriculum you will fulfill many **Common Core State Standards** requirements in social studies, English Language Arts, and math. Your students discover archaeology and history through engaging **hands-on activities**. This is a **'must-do'** course that will not only enhance your own understanding of archaeology, but will also provide you with a comprehensive set of lessons which you can use in your own classroom.

**Customize** your course by choosing which shelter you want to investigate! Do you want to explore a slave cabin, plains tipi, farm house, colonial home, wickiup, rock shelter, or earthlodge?

Visit us at [www.projectarchaeology.org](http://www.projectarchaeology.org) to register!

Course Sponsored by  
Montana State University • Utah State University • University of Utah
