

# Toggle Harpoon Head Pattern

1. Trace two copies of Part I on cardboard and cut them out.
2. Punch holes in both pieces as indicated.
3. Trace one copy of Part II on cardboard and cut it out.
4. Line up the two Part I pieces. Tape together the two side Cs.
5. Open the attached Part I pieces. Tape Side A of Part II to one of the Side As of Part I.
6. Tape the other Side A of Part II to the remaining Side A of Part I.
7. Make a slight bend in Part II at the dotted line to accommodate the angle on Part I.
8. Tape the two Side Bs of Part II to the two Side Bs of Part I.
9. Run a string through the holes of Part I and tie it in place.
